

Hello teammates!!!

As some of you know I am once again in the process of placing an order for a slightly updated team shirt and hats. This will be the fourth version of our team shirt. For those of you that already have a team shirt there is no significant change this year from what we had two years ago. This year we are retiring the Amnesia Brewing logo from the shirt. They were an excellent partner and helped kick start many of our fundraisers. I am pleased to say, however, that we have secured continued support from our friends at Grains of Wrath. The updated shirt for 2019 will include the Grains of Wrath logo highlighting their support that will once again be highlighted at our pre-ride fundraiser on July 25th.

This year we will again be using the high quality and comfortable fitted t-shirts from Next Level ranging in adult sizes from XS-XXL. In addition, we have our team hats available for purchase. The actual price for the shirt won't be set until the final order is placed as the purchase price goes down as we order more. However I have, like previous years, priced it to each of us at \$20.00 per shirt. That should cover the final cost of the shirt and all of the excess funds collected will be donated to our team. The hats are a little more expensive than the shirts but are again a high-quality ball cap with our team name on the front and the team's inception year on the back. The hats will be sold for \$25.00.

To streamline the ordering this year I have finally embarked on a task I've meant to do for some time. Welcome to www.paigespilots.com our new home! While the site is still under construction I have managed to get several pages up and available to use for our ordering needs. Once on the website, navigate to the [team gear](#) page and then follow the instructions. Photos of the gear are available on that page and then you have the option of selecting one of two links: Order and pay now with PayPal; or Order and pay now with Venmo or later with cash. Test runs show the site should be working for current needs and I expect to improve the site over time.

Please respond sooner rather than later if you are interested. There has been enough interest in the shirts that I expect to meet the minimum needed for an order (the vendor will not print less than 12). We begin receiving discounted pricing at 24 units and that ultimately puts more money in the hands of the ADA. Currently, it does not appear we have enough interest in children's sizing. We need a minimum of 12 to run that order as well. The template for the adult shirts is too large for a child's shirt so it would be a separate order. If there is enough interest in children's sizing I will gladly place that order as well!

Thank you for all you do each and every day and especially for what you all do this time of year to help battle this disease. Let's continue to ride shoulder to shoulder until we find a cure and win. On behalf of the Maas family, the ADA, all of those affected by this disease, and my family a very sincere thank you. When we ride together we are an unstoppable force!

See you later this month!

Joe Lenney
