

Hello once again Paige's Pilots!

This is a reminder that shirt and hat orders will need to be in by **Monday, July 8th, at noon** in order to receive our shipment in time for the fundraiser on the 25th. For more information on the shirts please [click here](#) to view my last communication and how to order. If you have already placed your order, thank you. You should have received an email confirming it. If you have not then your order did not process please contact me as soon as possible.

If you simply need access to the site you may place your order on our new [Paige's Pilots](#) website! A direct link to the ordering page may be found [here](#). You will also start to see all past team [communications](#) archived on our website!

In addition to ordering shirts and hats my goal is to help us gain a social presence. You will see more about that in the next couple of weeks as we approach the Tour de Cure. If you have any questions about the tour, gear, donation matching, etc. I will endeavor to place those answers on the [FAQ](#) page of the website. For those of you eligible for AAG matching funds I will have a PDF available on the FAQ site today for quick reference in obtaining those funds.

We are rapidly approaching our ride and currently just under 50% of our [team goal](#). If you have a few moments this weekend please reach out to your friends, co-workers, and family for support. I promise to do the same.

Remember, orders must be in on the website by Monday the 8th at noon. If you have any issues please contact me directly. Looking forward to sharing the road with all of you again soon!
